THIS WEEK'S PROGRAM:

Congressman Jimmy Panetta

Congressman Jimmy Panetta born and raised on the Central Coast, was elected in 2016 as California's 20th Congressional District in the United States House of Representatives. The 20th District includes Monterey and San Benito Counties, and parts of Santa Cruz and Santa Clara Counties. He currently serves on the House Committee on Ways and Means, the House Committee on Budget, and the House Committee on Agriculture.

"During his time in Congress, he has fought for immigration reform, the continued protection of our pristine coastline and environment, affordable and accessible health care, to ensure that our agriculture industry and its farmers and farmworkers are taken care

of, to reduce gun violence, for our military installations which are an integral part in our community and our country's national security, and for our veterans to receive the benefits that they were promised and deserve. Through policy implementation in Congress and service to constituents, he remains committed to being that bridge for the people of the Central Coast to the federal government and its resources. Prior to being sworn in Congress, Congressman Panetta served his community as a deputy district attorney for Monterey County, which includes the city of Salinas. In this role, he prosecuted violent gang members to pursue justice for victims, protect families and make communities safer."

In this time of the Covid-19 Pandemic, Congressman Panetta presented an extensive timeline of how the U.S. House of Representatives have responded to ensure support for families, employees, small businesses, health workers, agricultural workers, social services, and State and Local Governments.

THIS PRESENTATION WAS a WEALTH of INFORMATION!
