THIS WEEK'S PROGRAM:

President's Challenge "Six to Soar"

This story begins numerous years ago as President Annette Cain-Rhines decided *"to receive an animal totem that will guide me for the coming year."* Last December, she and her sister were finalizing a jigsaw puzzle of a bald eagle and at that point, the year 2021 would become the year of the eagle.

In March, Annette attended the President-Elect Training Seminar (PETS) in preparation of becoming the Club's 2021-2022 president. Rotary International Past-President Richard King was the keynote speaker. He delivered an inspirational speech utilizing *"the eagle as a visionary symbol of leadership of embracing change being undeterred and holding a high vision."* It was confirmed in Annette's mind that truly the eagle would be held as a symbol for the Rotary Club of San Juan Bautista.

The eagle is the longest living bird; about 70-years. In the middle of its life, its beak and talons become weak. It flies to the top of a mountain, bashes its beak and talons with rocks until both are gone. The beak and talons grow back, allowing the eagle to live another 30 years. *"I just think that's incredible...It's kind of what's happening around us in the world. We're at this point of breaking down, so that we can build back new. So, why not have the highest vision that we can for our club and for our members in our community. That is my vision for the year; to lift our club, its members, and the community to new heights. I see a deeper connection with each other, our community, and Rotarians around the world."*

In preparation for the Rotary year, Annette developed an acronym for “eagle” to assist the Club’s members to remember the 2021-2022 vision.

E = Excellence
A = Appreciation
G = Growth (Membership)
L = Love & Laughter
E = Earth & Environment

As an incentive and to ensure that the membership stays focused on the above emphasis, Annette has instituted a challenge: *Six to Soar*. Each member is asked to complete six different tasks throughout the 2021-2022 Rotary year. If accomplished, the member receives an eagle badge with a soaring eagle bottle of wine and eagle-labeled dark chocolate.

So, let’s get started! This is how you win the challenge.

- 1) Bring one potential member to a meeting.
- 2) Attend a “foreign” Rotary Club via internet (pick anywhere in the world). Share a memorable moment about your visit at a General Assembly.
- 3) Participate in at least three club events (for example: a fundraiser, vaccine volunteer, Feed the Frontline, holiday parade/celebration, family giving project).
- 4) Serve on at least one club committee.
- 5) Make a video (1-2 minutes) of yourself stating why you are a Rotarian. The video will be posted on the club’s Facebook page.
- 6) Adopt a new sustainable habit that betters the earth (for example: cutting back on junk mail, replace lighting with LED lights, unplug appliances when not in use).

In closing, Annette told a story that exemplifies how the eagle has become her totem. She was helping her father find his keys. There was a cup containing odds and ends, which she glanced through. Annette continued to search the house, but “*was called back to the cup.*” She dumped it out and there was an eagle pin that Rotary International Past-President Richard King had given her father 20 years ago. There was a note attached stating, “*Eagles are like leaders. One never sees them in a flock. They always soar above the crowd, a commitment made and kept.*”

“*I just want you to know that I am making this commitment to you and I will keep it. I see us all as leaders. We actually are a giant flock of leaders and it’s such a pleasure to soar with you.*”
