## THIS WEEK'S PROGRAM:

### **Jackie Muñoz General Assembly Strategic Planning**

Last month, our members suggested ideas for new goals to be placed in the Club's 2021-2022 Strategic Plan. Jackie created a draft that included the new goals and the draft was emailed to all members.

Today, our membership discussed and revised the new additions. As well, some revisions were made to 'Who is Involved?' and a change was made to the Community Service Objective. *(To plan, organize, and implement projects and activities as a means of bringing equity for the improvement of life in the Aromas and San Juan Bautista communities.)*

Rotary International has also added a seventh Avenue of Service: *Environment*. Therefore, our members created an objective and three goals for

this area.

Listed below is the work completed today.

#### **Community Service** (new goals)

- Goal VI**     *Support local businesses to revitalize Aromas & San Juan Bautista*
- Goal VII**    *Support the implementation of new technology to further the elimination of the digital divide*
- Goal VIII**    *Support & mobilize the Covid-19 vaccine efforts*
- Goal IX**     *Distribute food & other items to community members*
- Goal X**      *Create & activate an Arts Committee*

- Goal I** Organize events inviting the community to enjoy nature
- Goal II** Co-Sponsor the Pan-American Condor Reintroduction Project to further include student participation
- Goal III** Develop and implement sustainable practices throughout club meetings, functions, activities, and projects

The revisions have been completed to the 2021-2022c Strategic Plan. At the General Assembly in March, the membership will have the opportunity to approve the plan for implementation in this next Rotary Year.
