THIS WEEK'S PROGRAM: **Club General Assembly**

Traditionally, the Rotary Club of San Juan Bautista's busiest times of the year is September through January. Our project list is long and we are all contributing to the success of each event. Therefore, like so many past General Assemblies scheduled in the Fall and Winter, the attending members worked together to plan the Ghost Walk and assisted with ideas for the posting of the historical saints. The membership and guests also learned about the latest news regarding the new Rotary signage in town and the Aromas Sports Park Project. Those attending the meeting at the Native Daughters Adobe were even treated to breakfast sandwiches from the local Lolla restaurant.

New Rotary Signage:

Due to the aging of the Club's Rotary signs in town and because the Club has changed meeting locations, the Board approved purchasing 3 sets of signs (18" Rotary wheel and 8" X 24" meeting location sign). Two of the sets will replace those in San Juan Bautista and the third will be posted in Aromas. Jackie has asked Signs by Van to email a "mock-up" of each of the signs prior to giving the order approval.

Aromas Sports Park Project:

Paul submitted an estimate for the final phase of the project. An Area 6 workday will be scheduled for the end of October or in November to plant 33 trees. The Aromas Sports Park Committee will be naming the area in which the trees are planted, "The Rotary Forest".

New Board Appointee – Environmental Service Chairperson:

Last July, Blanca was appointed by the Board to serve as the Environmental Services Chairperson. However, the National Parks Ethics Department notified Blanca that she was unable to serve due to there being a potential conflict of interest in the case of a partnership in which money is utilized for any one project. Therefore, Bob Quaid stepped up and he will now serve as the Environmental Services Chairperson as well as the Treasurer.
